Volunteers

Sailors

We would like to hear from you if you are a sailor willing to give a few hours of your time each month to take Sailability participants for a sail on the Causeway Lake.

Landlubbers

Just a small amount of your time is all it takes to give back to your community. You'll also get the chance to learn to sail from one of our experienced sailors.

Participants

If you are someone, or know someone, who would like the opportunity to spend some time on the water in a safe and caring environment then please contact us.
